## Testimonials:

I had the honor of having Ashley speak at our women's conference. I first met Ashley when she and her husband Dave led our marriage retreat. Ashley is such a gifted speaker who is real and transparent with her listeners. Her comforting voice and wittiness keep us captivated and hanging on every word! You don't want to miss a word!!! She speaks with passion and you can tell she is working in her God given gift to speak into the lives of others! Many women in our church loved her so they now follow her blog. Her love of the Lord and others, along with her beautiful smile and ease at speaking truth, Ashley is such a blessing to any who get to sit under her!
